Amen.

Life Matters: On this Respect Life Sunday, may all Catholics resolve anew to protect the gift of every human life.

Marriage: The peace of Christ should be palpable in our homes. This requires that our own prayer lives be vigorous and constant and that we pray together as families. Grace before meals is crucial (as is eating dinner together).

The late Archbishop Fulton J. Sheen encouraged the spiritual adoption of an unborn child. This is done by praying that one particular but unknown child's life be spared abortion and be allowed to continue to live.

During your earthly life this spiritually adopted child of yours will be known only to God but in the world to come it is hoped that you will meet the child whose life was spared by your prayers and spend eternal happiness with them.

To help accomplish this, it was recommended an individual say the following daily prayer for a period of one year:

"Jesus, Mary and Joseph, I love you very much. I beg you to spare the life of the unborn baby that I have spiritually adopted who is in danger of abortion. Amen."
