**TODAY'S GOSPEL REFLECTION—
17TH SUNDAY IN ORDINARY TIME**

The teachings of our Catholic faith are inexhaustibly deep, but they are also amazingly simple. Today's readings take us back to the basics, reminding us how we as Christian stewards are to approach our relationship with God and others. The Gospel reading from Luke takes us back to the basics of prayer. In this passage, some of Jesus' disciples ask our Lord to teach them how to pray. Jesus offers them the beautiful prayer which we call the Our Father. This prayer is so rich that it still forms the basis of our approach to God the Father over 2,000 years later. At the same time, it is so simple, we teach it as a first prayer to young children.

The Our Father is truly a steward's prayer. In it, we call upon God in an intimate way, as Father. We ask that His will be done (not ours) and that His kingdom come (not ours). In other words, we remember that He is our Creator, everything is His, and our focus in life should be on His priorities, not our own.

At the end of the Gospel passage, Jesus offers one more "basic" for us stewards about our relationship with the Father: Ask Him, seek Him, knock on His door. He can hardly wait to bless us, His children. Remember that this week, then go and be a blessing to others. Stewardship is really just that simple.
