Today's Gospel Reflection

Today's readings on this fourth Sunday of Lent are filled with contrasting images – God's vision versus human vision, the light of Christ versus the darkness of sin, spiritual blindness versus spiritual sightedness. Embracing a stewardship way of life can free us from spiritual blindness, allow us to see as God sees, and help us to reflect the light of Christ's love in the way we live our daily lives.

In our Gospel passage from John, Christ says of Himself, "I am the light of the world." This passage recounts a miracle our Lord performs, restoring sight to a man born blind. The man responds to the Pharisees who question him about his healing by declaring to them that Jesus "opened my eyes." These Lenten days are an excellent time for us to ask Jesus to open our eyes, too. Let us ask Him to show us where we may be suffering from spiritual blindness, perhaps even in subtle ways.

As we continue on our Lenten journey, let's intensify our efforts in any of these areas where we have become a little blinded so that by Easter, we are truly living as children of the light.

Centering Prayer Presentation, Prayer Session and Question & Answer Follow-up

As part of our Lenten journey, there will be a Centering Prayer presentation, prayer session and Q&A follow-up on Saturday, March 21st, from 2:00 to 3:00 PM in the St. Clement first floor classroom. Centering Prayer was designed to facilitate the development of contemplative prayer by preparing our faculties to receive this gift. It presents ancient Christian wisdom teachings in an updated form.

If you would like to learn more about the Centering Prayer method or if you already practice Centering Prayer, we invite you to participate in the group prayer session and share your thoughts during the follow-up time. All are welcome. Please let the parish office know (814-255-4422) if you are attending so we have adequate handout materials and seating for all participants.
