### **Today's Gospel Reflection**

We begin this Holy Week with the reading of the Lord's Passion from the Gospel of Matthew. It is fitting that we Christian stewards focus our minds and hearts intensely this week on the steps of our Brother and Savior as He laid down His very life for us.

Throughout this story, there are several small acts of stewardship by those who encountered Jesus during this most eventful week. Each of these were simple acts of good stewardship, yet God used them in mighty ways. God invites each of us, too, to cooperate with Him in small ways through the sharing of our time, talents and material gifts. Small gifts can become mighty deeds when placed in God's service.

Life Matters - For all those receiving hospice care: May the care they receive respect and protect their lives, let us pray to the Lord.

Marriage - With great openness and courage, we need to question how widespread is the culture of life today among individual Christians, families, groups, and communities in our diocese. With equal clarity and determination we must identify the steps we are called to take in order to serve life in all its truth.

**NOT SO ORDINARY**

*Do not underestimate your light just because it feels ordinary. God uses ordinary people in extraordinary ways.*

We continue to ask for personal hygiene items, **especially soap, shampoo, shower gel, deodorant and disposable razors**, because those are the items that are most coveted and requested.

As we journey through Lent, the Season of Prayer, Fasting and Almsgiving, we thank you for remembering this ministry with your generous donations!

**The rectory will be closed on Good Friday, April 3rd.**
