Todays Gospel Reflection

Our Easter celebration reaches its grand finale today as we celebrate the glorious feast of Pentecost. Today, we focus on the role of the Holy Spirit in the life of the Church and in our individual lives.

Throughout our readings today, we see the amazing truth that the Holy Spirit gives us gifts and guidance in a very personal way – and that we are meant to use these gifts to build up the Body of Christ in a way that is unique to each one of us. What a stunning privilege and awesome responsibility. We must rely constantly on the Holy Spirit to guide us in the best use of the gifts, talents and blessings we have been given so that we can fulfill the specific mission to which we have been called.

As this Easter season comes to a close, let us be at peace. And let us resolve to lean on the Holy Spirit more and more as our guide through the stewardship way of life.
