Todays Gospel Reflection

We have been given so many gifts and blessings by our Heavenly Father. Yet, in our fallen state it is all too easy to take them for granted. Our readings today teach us that we must live with an intentional awareness of our many blessings and use them gratefully to glorify God.

Our Second Reading, from St. Paul's letter to the Philippians, is a reminder of one key blessing that is surprisingly easy to take for granted – the gift of our thought life. Our intellect is gift from God and we are called to steward it well. Lack of discipline in our thoughts can easily lead us down a path of discontentment and fear. St. Paul instructs us rather to “have no anxiety at all.” How are we to do this? He tells us, “In everything, by prayer and petition, with thanksgiving, make your requests known to God.” And as it turns out, by turning our thoughts towards God with gratitude, we will be blessed immediately. So let us live each day with a profound awareness of all that we have been given by God. Let us use our intellect to think on these gifts throughout the day and resolve to use all our gifts for God's glory. We will find peace, joy and purpose as we do.

the weight of our souls? For
the Christian life, there is only
one foundation strong enough
to hold. Choose wisely.
